18 October 2009

Dear Bob

On behalf of the Prom Coast Tourism Executive and members, I would like to extend our sincere thanks for speaking at our AGM last month.

The long jetty project at Port Welshpool has generated much excitement within our membership and will surely be a topic of conversation for some time. Your enthusiasm and extensive knowledge of the undiscovered world living beneath the long jetty inspired and captivated everyone present. We will all wait with excited anticipation to watch the underwater observatory come to life and become a valuable tourism asset for the Prom Coast region.

If Prom Coast Tourism Association can be of any assistance helping you to get the project underway, please do not hesitate to contact us.

Again, please accept our genuine appreciation for taking the time to educate us about the Underwater Observatory at Port Welshpool Long Jetty.

Yours sincerely,

Sean Taylor  
President
