

ANZAC DAY 2021

Thankfully this year we were able to hold an Anzac Day Service at Welshpool and we are happy to say it was well attended.

Rod Coughran from the Toora RSL sub branch organised the occasion and was supported by RAAF Base Sale personnel. RAAF Air traffic control students formed the catafalque party.

The length of service outside was extended due to restrictions not allowing an indoor component for this occasion. National anthems of both Australia and New Zealand formed part of the service as well as a speech from the RAAF.

Several wreaths were laid, and it was great to see children involved as well as the adults. Estimates for the gathering on the day were around 60 with many medals worn to show service, also to remember those that had served and were no longer with us. Rosemary adorned many jumpers and coats as a further mark of respect.

It was a very good ceremony, and the rain held off just long enough for the completion of the event. Many thanks to the organisers and to all those that attended.

At the Welshpool Cemetery flags were also flying at the gravesites of those who were in the services.

Port Welshpool & District Bowling Club

The weather turned it on for our last monthly triples for the season. We had a full green thanks to mostly regular teams and a first timers from Tarwin Lower. Runners-up were Ray, Jeff and Bruce from Meeniyah with winners of the day being Col, Roger and Rob from Korumburra.

Many thanks goes to our tournament director, Margaret McDonald and our fantastic catering members Belinda Crawford and Latna McLaine for their hard work, not only this month but for the entire season. Special thanks to Belinda for the super early mornings to bake us her fantastic slices and scones.

Welshpool Golf Club

It has been a busy time since our last update from the club. Fantastic news that our club is pleased to announce that we have a new sponsor, WELSHPOOL OUTDOORS, for some of our Sunday competitions. We very much appreciate all of our local sponsors and it is great to receive this support from the Fowler Family at Welshpool Outdoors. If you need a new chainsaw, mower or any other outdoor equipment drop in and see them. They are stockists of Husqvarna and can service and repair all types of machines.

Ladies March monthly medal winner was Peta Barlow with a fantastic nett 69. BDL was Di Walker and ntps on the day went to Peta and Di so you could say they cleaned up! Grandmothers Trophy was played in March and the winner was Jeanette Swann with 34 points. BDL was Sue Brown and Jeanette had the NTP.

Sue Brown and Jeanette Swann played the final of our match play knockout and the winner was Jeanette Swann. What a great come back from recent hip surgery.

Due to poor weather which always seems to be on Wednesday which is ladies day we haven't played a lot of golf in Paris however we managed to play the April monthly medal in very cold and windy conditions and the winner on the day was Sue Brown with net 77. BDL was Peta Barlow. NTP s to Peta and Sue also won the putting with 25 putts.

Mens March Monthly medal winner was Pixie with a 67 nett. Alan Hayes got a bdl with 68 nett and John Soalo with 72 nett. NTPs were Pappy on the 6th Bmac 8th Butch 15th Pixie 12th and Tony 17th. Sunday was a 9 hole stableford with Stan winning with 21 pts. Russell got a bdl with 19. Russell also got the ntp on the 6th for the men and Peta got the ladies on the 8th.

Gary Brown is the men's 2021 knockout champion. Gary defeated Russell in the playoff 3/1.

Friday 9/4 saw Paul Delaney take home the chook with 20 points. David Bligh 17 and David Nash 16 received Bdl's and there was no NTPs. Saturdays stable ford winner was Brian Macpherson with 33 point snd Bdl's went to Alan Hayes with 30 and Bill Van Ness on 29 on a count back from three others. Again no Ntps. The weather cancelled Sunday but the mens pennant team travelled to Lang Lang where they took on the home team and defeated them 4/3. What a great result.

Friday 16/4 chicken run winner was Merv with 18pts Bdl's to Bmac and Dan on 16. There were no ntps. Saturday 17/4 was a stroke round and Paul had a win with 67 nett. Bdl's to David Nash on 71 and Bmac on 72. Ntp on the 8th and 15th were Geoff Stephenson and Grubby. Sunday was a 9 hole stableford with Dan taking home the Toora hotel voucher with 18 pts. Bmac got a bdl with 16. Brett got the ntp on the 17th. The men's pennant team travelled to Korumburra for a dual with Leongatha and our boys came out on top defeating them 5/2. Great effort gents.

Saturday 24/4 competition was played in wet and dreary conditions and Nino Ditta was the winner with 38 pts. Bdl's to Lionel Pope (Pappy) and Dan Conley with 32pts. Ntps to Nino on the 6th. Pappy on the 15th and Brian Macperson on the 17th. Our former president Butch took home the breach of etiquette award today for throwing a club on the 13th and received certificate to remember the day! Sunday was a stroke competition with the Paul Delaney the winner with net 71 from Russell Barwick with net 72. Great scores all round.

New members aways welcome at our club and for up to date information and results be sure to like our Facebook page Welshpool Golf Club Victoria. Catch you next week and happy hitting.

What a fantastic time we all had for our Easter weekend get together. It was great to see so many smiling faces joining us. Dinner was once again well received by all and everyone was especially keen to win some of the Easter raffle prizes. Not sure who's after the chocolates more, the kids or the adults!! The kids were also kept busy with Easter games and activities.

Our next dinner will be held on Saturday 1st May, 7pm at the Old Ferry Terminal. Everyone Welcome.

Port Welshpool and District Maritime Museum

"A Little Red Port Left in the Bottle"

EVERY THING AT THE MUSEUM HAS A STORY TO TELL.....

Nothing more so than the large Buoy in "dry dock" at the corner of Turnbull Street.

In the water it may not seem so large but whether in the water or out, it is, and has held a very important part in nautical navigation and history in Victorian waters. Its size and tower make it very eye catching as you pass the Museum.

Living in a fishing Port or passing through, sometimes you take objects like this for granted as they are what you expect to see.

A buoy no longer needed to help navigate the shipping channel traffic and kindly donated to us. Well, yes, but it also has an interesting story to tell as far as we know. Its age being one and on inspecting it, its condition being another.

"Thirty seven years ago in 1984, the then 90 year old buoy", became one of the interesting exhibits of the outdoor display at the museum. Buoys of this kind when in use operated using a gas cylinder. The cylinder operated the flashing light from the tower at the top. These lights flashing day and night to show boat operators the navigation channel to help guide them safely into port, avoiding sand bars. This particular light flashed red {thus the saying at the beginning to help you remember left is red} with another light on the opposite side of the channel flashing Green, sorry don't know a saying for green but I guess if you remember the saying for red then green is taken care of. Every 12 months buoys of this kind were inspected for "sea-worthiness". They were hauled up and refitted with new anchor chains by the crew operating from the "S.S Rip". The "S.S Rip" a Ports and Harbours service ship was a regular visitor to Port Welshpool and was often seen moored at the Long Jetty and working the channels.

Yes, if only these items could talk more history could be catalogued, as all articles have importance and very interesting history. This exhibit that now sits pride of place in the grounds of the museum; we know that before coming to Corner inlet waters it was part of the main shipping channel in Port Phillip Bay. Its full life history other than that is not known, but we would love to know. When it became a very important part of Corner Inlet, it was anchored to the sea floor on the Prom side of the sand bar at the entrance to Corner Inlet and all these years later even though it is in "Dry- Dock" it is still in great condition, which is great praise to the workmanship of the time. Made of metal from Norway and riveted together, it has stood the test of time that includes the damage salt water along with sun and wind can do. When made redundant from Corner Inlet and because of its historical significance to the district was donated by the Ports and Harbours Trust to the Port Welshpool & District Maritime Museum. Not originally red and white when it was a navigation light in the waters of Corner Inlet, but became so in its now position as to attract visitors for the Museum. And now all these years later it would be nice if we could help it into the 21st Century and have it flashing once again but this time with the help from Mother Nature and solar energy, as many of the now more modern navigation lights operate.

As for the "S.S. Rip" well, maybe there's a story for another time.

SOUTH GIPPSLAND SHIRE COUNCIL

Community Leadership Program

What is the Community Leadership Program?

The Community Leadership Program (CLP) aims to equip participants with a set of skills that will enable them to effectively work with other people, strengthen their leadership capability, manage conflict, delegate and meet objectives. It is hoped participants will use the skills they gain through the program to positively influence and support the development of local communities in South Gippsland.

What is involved?

Participants will partake in an intensive nine session skills development program held between July and November 2021 in locations across South Gippsland. Sessions will be held on Saturdays and some weekday evenings. Participants must be prepared to attend all nine sessions. The program is funded by the South Gippsland Shire Council - there will be no fee for participants. Limited places are available.

How do I participate?

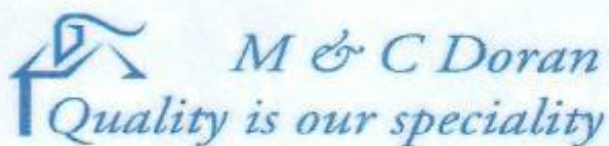

Applications will be accepted until **3 May 2021**. The selection panel will review the applications and successful applicants will be notified by **30 June 2021**. The program commences in July 2021. You can apply [online](#) or [hardcopy](#).

Hardcopy application form is attached above.

For more information, visit the webpage (link below)

Mother's Day Rebus - Harder

In this puzzle, you need to break the rebus codes to discover words related to Mother's Day. To decode the rebuses, first identify the pictures and then add and subtract letters as required. If you figure them out correctly, the remaining letters will spell out a word! Can you decode them all?

1. -ose + -eg = _____
2. -n + -a + y = _____
3. -y + -m + - = _____
4. + -c = _____
5. -a + -lte + -n = _____
6. -r + -n + -gt + -tip = _____
7. -air + -sk + -w + -g = _____
8. -w + **u** + -sion = _____

Every mouse and bumble bee

Every bird up in a tree

Every caterpillar and lady bug

Loves to feel his mother's

hug

Every bear so fat and funny

Loves his mother more than

honey

Just as woodland creatures

do

Mother that's how I LOVE

YOU!
