

## Welshpool Basketball Association

Another season has come to an end, and what a great season it was!  
A huge thank you to all of our players and parents for their continued support of our local club. With over 120 registered players our club has managed to push past the last couple of years and remain strong.

On Sunday 11<sup>th</sup> December we held our Grand Final day which is always an exciting day. We began the day with our Seniors teams Maroon and Black making the finals. With a very close first half the Maroon team managed to take the win with a final score of 40 to 26. MVP for the season went to Jaxon Lewis and Josie Wines, and MVP for the game went to Jacob Albrecht. Well done to everyone!

The next age group to hit the court were our Intermediates with Orange defeating White 33 to 22. A well-played game from both teams. MVP for the season went to Cooper Butinar and Sunday Plowright, with the MVP for the game going to Jaxon Lewis. We must mention how impressed we were with this year's intermediates, the positive sportsmanship between players within their own team and with other team members was something wonderful to watch, hats off to you all!!

Our Juniors grand final was an absolute thriller with extra time needed as we ended on a draw. With three minutes extra time granted it was anyone's game, however in the end we saw Silver take the win against White with a score of 21 to 20. Well done to all players on a fantastic game. MVP for the season went to Koby Jenkins and Milla Bland, with MVP for the day going to Oliver Proudlock.

Our Minis game ended the day and it's always so enjoyable to watch the younger players doing their absolute best. Another close game saw Silver take the win against Red with a final score of 17 to 16.

Thank you to our committee members for their continued efforts in putting on the season, and thank you also to all of our umpires for their assistance throughout the season.

Thank you to the Welshpool Hotel for their very kind donation from the Friday night happy hour raffle a couple of weeks ago, these funds went towards this year's trophies.

Thank you all for another great season, we look forward to seeing you again next year.

## Welshpool Community Plan

The Welshpool Area Future Focus (WAFF) Group have met since holding the Open House at the RTC and are working through the ideas and the design of our plan.

The plan will consist of Our Vision, Community Statistics, a list of all local Community Groups, Long Term and Short Term Projects, High Priority Projects and a general list of remaining projects.

After Christmas we will be meeting again to start to put everything together into a draft plan. We look forward to presenting this plan to the community for their input.

Once complete we can begin to action some of the projects on the plan.

If anyone is keen to join the group please see the staff in the RTC for details.

**Calling all Community Groups** – As our plan will include details of all the groups our wonderful area has to offer we are needing up to date details and contacts for your group. These can also include a short description of what your club/group offer. Please leave details at the RTC or email to [rtcwelshpool@bigpond.com](mailto:rtcwelshpool@bigpond.com)

Our plan will be made available to new residents to the area so potentially reaching new members and future helpers.

The annual Seadays Festival is on again.

The Festival is being held on Sat 7<sup>th</sup> and Sun 8<sup>th</sup> January, 2023, at the Old Ferry Terminal at Port Welshpool. The ever popular “Come Try Fishing” will give children the chance to learn the basics of fishing from the experts. Sessions are 10-00am and 2-00pm each day, but limited to 15 children only. A \$2-00 booking fee helps with our costs, but each child receives a rod and reel. Bookings are made via the contact page on the Seadays website.

The touch tanks, manned by our volunteers, will have live displays of some marine life found in Corner Inlet. Seaweed expert, Chris Rockley, will have displays of seaweed along with examples of her artwork.

Kites 4 kids, presented by internationally renowned “Kiter”, Jo Baker, will have a variety of kites flying, (hopefully we have some wind here in Port Welshpool).

Jo will have workshops where the children can make their own kites. (\$10-00 per kite).

Star of the South will be there to inform about the big offshore wind farm proposed off Woodside, which when completed will supply 20% of Victoria’s power requirements.

Thanks to Star of the South for their generous support for the Festival.

The Welshpool Horticultural Society and West Gippsland Regional library also have activities planned for all the family.

Friends of Agnes Falls will have a stall, and have updates on the latest developments at this wonderful natural beauty.

Welshpool CFA and Port Welshpool Coast guard will have displays of some of their equipment, and will answer all you questions.

Check out the website for all the latest developments for the Seadays Festival.

# Welshpool Basketball Association

Juniors - Silver (21) def White (20)

Minis - Silver (17) def Red (16)

This year, in consultation with the Pyke Family, the Welshpool Basketball Association introduced the Adrian Pyke Memorial Award. Whether you were family, a friend or mate, customer or community member we all knew Adrian in our own way. Adrian would always be there to lend a hand, support others or make us laugh.

The committee discussed with Adrian's family what this award should represent. Throughout Adrian's life, childhood and adult life, Adrian never gave up, whatever he was doing he always gave 100%.

This award will represent exactly that. It will be presented on a yearly basis to a player who always tries their hardest and never gives up. We will have an ongoing shield hanging in the stadium foyer and the player will also take home their very own plaque. This award is sponsored by Storr Transport. The award reads "Dedicated to the Memory of Adrian Pyke (1986-2022) This award is presented to the player who always tried their best and never gave up"

This year the Adrian Pyke Memorial Award was awarded to

# Welshpool Kindergarten

## Goodbye Magnificent Margaret !

Welshpool Kindergarten will have a change in leadership in 2023. Margaret Leithhead will be moving on from her role as service leader. Margaret relocated from Melbourne to PCCC in late 2019 ready for a tree change in her adopted rural community of Welshpool. During her time at Welshpool Kindergarten Margaret has been instrumental in re-establishing a kindergarten service that had not operated as a standalone for 20 years. Margaret has taken a considered and proactive approach to updating the resources and equipment at the service and establishing connection with community. Margaret has overseen the rolling out 15 hours of 3 year old kindergarten and supported children, families and staff through the COVID-19 pandemic. It has not been a straightforward kindergarten assignment and over the past 3 years Margaret has always put her professional foot forward in every action she takes. From developing a well consulted Welshpool kindergarten philosophy, Margaret's vision for the service will be her legacy and her warm, respectful relationship: strong childhood kindergarten memory. We wish Margaret all the best as she returns to Melbourne to be with her family.

The service is excited to welcome Rachel Wiggins to the position of service leader. Rachel comes to kindergarten from the primary sector and is excited by the opportunity to work with Welshpool and district children, families and community. As a Prom Coast local Rachel is a passionate advocate for a holistic approach to education that nurtures positive relationships with children, families and staff. Rachel is thrilled to lead the kindergarten team at Welshpool to continue delivering a well-rounded program and extend the opportunities for the children in the future.

# South Gippsland Shire Council News

## Free Green Waste Disposal

South Gippsland Shire Council's annual Green Waste Amnesty has commenced and will run until 31 December 2021.

Residents can dispose of their green waste for free at any of Council's transfer stations during this period.

The amnesty aims to encourage residents to prepare their properties for the fire season by removing potential fire hazards.

However, to improve the quality of the mulch produced, there are several species of weeds that are not accepted as green waste, including Blackberry, Ragwort, Broom, Mirror Bush, Kikuyu Grass, Hawthorn, Cape Weed, Gorse,

Blue Butterfly Bush and Pampas Grass. Species that are difficult to mulch properly are also not included in the amnesty such as palm fronds, Yuccas, Cordylines and other related species.

If any of these species are taken to a transfer station, they must be disposed of as general waste with applicable disposal fees applying. Alternatively, they can be disposed of through the kerbside green waste collection service as this material is subjected to a different composting process.

For transfer station operating hours and locations, please visit [www.southgippsland.vic.gov.au/tips](http://www.southgippsland.vic.gov.au/tips)
