Welshpool's 59th Autumn Garden Show

"The Beauty of Leaves"

On Friday 6th and Saturday 7th March, the Welshpool & District Horticultural Society treated the community to a wonderful display within the Welshpool Memorial Hall.

The Society were pleased to have Anna Hopkins, South Gippsland Shire's Citizen of the Year for 2020, accepted their invitation to come and officially open the show where she also announced the Best Exhibit winners. With over 600 entries and 5 new exhibitors there were a large variety of displays to be judged.

Two welcome groups of visitors to the show were the children from the school and the kindergarten. Both groups having their work displayed in the foyer welcoming guests.

Once again visitors from far and wide enjoyed the displays, indulged in a cake or two and took home something for the garden from the plant sales.

October 30th and 31st 2020 will see the celebration of the 60th Birthday of the Society and 60th Spring Show, we look forward to seeing you all again.

Local Bendigo Bank branches launch grants program

Our local Toora & Foster branches of the Bendigo Bank will launch their Community Grants Program on Monday 16th March to help improve community outcomes.

Chairman of the Toora & Foster branches, Robert Liley said the program will help support local community groups and organisations by making funding available for projects.

"The program helps us to reinvest our Community Bank profits back into the local community," Rob said.

"Projects may be large or small and may also be carried out in collaboration with other groups or organisations at any level."

The program is administered by Community Enterprise Foundation™, the philanthropic arm of Bendigo and Adelaide Bank.

Applications are available online and are open for submission until Wednesday 15th April 2020.

"There are currently over 324 Community Bank branches across Australia that have returned more than \$229 million to support local communities," Mr Liley said.

"The most exciting thing about our Community Bank branches is the more customers that bank with us, the more money we can use to strengthen the Promontory District," he said.

"We encourage everyone to bring their ideas to the table, so we can really find out what our community needs."

Chocolate Egg Nest Treats

These chocolate egg nest treats are made with chocolate, butterscotch and mini Cadbury eggs. An adorable treat for Easter and Spring! These are no-bake and this recipe only take minutes to make!

Ingredients

2 cups chow mein noodles
1 cup milk chocolate chips
1 cup butterscotch chips
12 ounce bag mini Cadbury eggs
Yellow frosting

Instructions

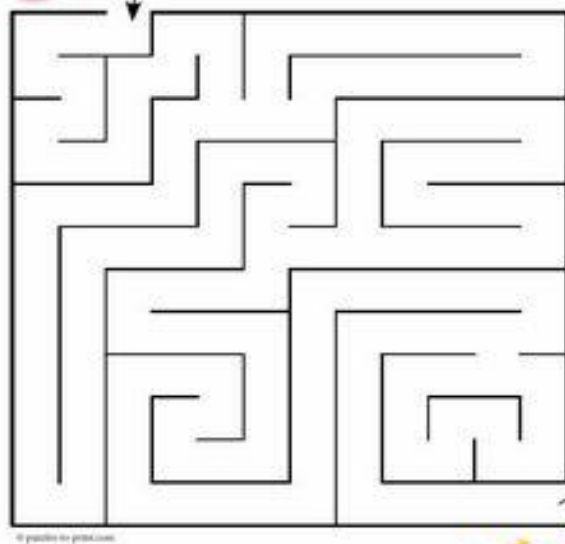

1. Place the chow mein noodles in a large bowl. In a separate bowl, melt the chocolate and butterscotch chips at 50% power for 1 minute, or until melted. You could also melt over a double broiler. Stir, until smooth.
2. Reserve about 1 Tablespoons of the milk chocolate. Then pour the milk chocolate and butterscotch over noodles and stir until coated. Spray a silicone muffin pan with non-stick cooking spray. Then add a large spoonful of the mixture to the muffin cup. Press lightly in the center of the cup to form the nest. Then with the remaining chocolate in the bowl, dip the back of the Cadbury egg and place in the middle of the nests. Then using a toothpick, dip the top end into the remaining chocolate and add 2 eyes. Then if desired, add a tiny dot of yellow frosting for the beak.

Port Welshpool & District Maritime Museum

“I WONDER WHERE THEY ARE NOW.”

Most nights we turn on the Telly to watch the news, with all it has to offer. Very few good stories to warm your heart and make you smile; and then the big questions are “What will entertain us until it’s time to hit the sack?” On one particular night we decided to give a show called “Aussie Lobster Men” a go.

You may have seen it, and if you have made Port Welshpool your home for a little while, you will know where I am going, but for anyone who moved in after 1965, here is a little proud history of the port.

This “Aussie Lobster Men” is filmed on board cray boats fishing around the coast off Tasmania. How interesting it was to see how crays are caught now, and with the added help of modern technology. Even though Mother Nature hasn’t changed her ways, giving challenges to the fishermen and testing their knowledge with every wave. Each pot is hauled up with the expectation of a good catch, to make the wet, cold working conditions and the days spent away from family and friends a little more bearable. Some of the boats were catching for the Chinese market and had quotas to aim for. The big prices they were getting for their successful hauls, equated to thousands of dollars. All sounds good at nearly \$100 a kilo, but take out wages, fuel etc. or if a mechanical problem occurs, not to mention if a pot is lost.

When Port Welshpool had a fleet of boat’s fishing from its port, they too fished around the same Tassie waters. When crays were out of season or weather bad, fishermen could be seen making their cray pots on the foreshore opposite the General Store. One boat featured on this show was the “William Norling”. What a buzz to see her still successfully operating. She now calls Margate, Tasmania home.

The “William Norling” has a proud history for Port Welshpool, as she was built in Townsend Street by Charlie Norling, on a vacant block of land next to his house. I don’t know how long it took to build, as a kid everything seems to take forever but under the watchful eye of the town we waited as a fine craft was created and Mr. Norling with his expert knowledge and skills bent and steamed wood, screwed and hammered away the days. When the time of the launching neared, the buzz around town was, “What will be the name?” We all had a suggestion but until the big day came and she was launched we really had no idea.

Welshpool & District Playgroup

It has been a wonderful start to the year for Welshpool and District Playgroup. Pre-school children of all ages have enjoyed a variety of activities so far including lots of outdoor play, painting, blocks, playdough and crafts. The parents, grandparents and carers have had the opportunity for a cuppa and some friendly adult conversation. Winners all round!

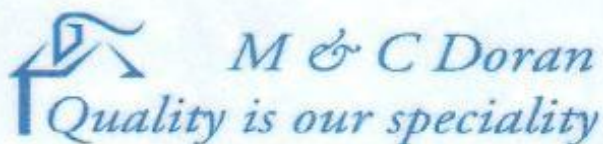

This year Welshpool and District Playgroup is ran by local mums Lisa Fitzgerald and Judi Hale. "We welcome all pre-school aged children of all backgrounds to come join us every Monday morning at 9.30 for a couple of hours. It's a wonderful morning of socialising and play held at Welshpool Kindergarten, we are very lucky to be able to offer a wonderful setting, both indoors and outdoors, with lots of resources for our children."

We have also been fortunate enough to have fortnightly visits from Bushlink Mobile Toy Library. Emma arrives with an amazing collection of toys, puzzles, books, dvds and parent resources all available for loan. Welshpool and District Playgroup is a completely free service and definitely worth a visit with a young family. Follow our Facebook page to keep up to date with our planned activities and please come along, we would love to meet some new families! **Please note due to current circumstances playgroup will be cancelled until further notice. We look forward to seeing you all on our return.**

Busy week this week getting the course in tip top condition for the South Gippsland Pennant season. Sunday 15/3 saw Welshpool Def Woorayl 6-1 & Leongatha Def Lang Lang 5-2. Well done to all. Conditions were perfect, little wind, no rain so nothing to blame....

The course is in the best condition for this time of the year for many years. Due to, in part, the weather but mainly to the magnificent effort of a dedicated few who have worked their guts out to get it to this condition. Well done Guys & Ladies...
